

# CALF ADVANTAGE™

Whole Egg Specialized Proteins For Dairy & Beef Calves

## What?

**CALF ADVANTAGE™ EPP** is a proprietary blend of whole egg specialized proteins in a water soluble powder. **CALF ADVANTAGE™ Liquid** includes **Liquid Lightning™** technology.

## When?

**CALF ADVANTAGE™** is intended to be added to pasteurized milk, powdered milk replacer and starter or transition feed rations.

## Why?

**CALF ADVANTAGE™** is designed to introduce whole egg specialized proteins to dairy and beef calves with pathogenic challenge. The “Bovine-Specific” whole egg proteins we use have been researched and selected to ensure maximum usability and benefits for pre-ruminant calves. The **Liquid Lightning™** provides an immediate energy source for stressed calves and can increase appetite<sup>1</sup>.

\***Liquid Lightning™** available only in **CALF ADVANTAGE™ Liquid**.
