

# LIQUID LIGHTNING

Instant Energy Drench For Dairy & Beef Calves

## What?

LIQUID LIGHTNING™ is a liquid drench designed to boost appetite and energy levels in calves<sup>1</sup>.

## When?

LIQUID LIGHTNING™ is intended to be orally drenched to stressed and energy deprived calves before, during and after transportation, throughout transition periods or other likely stressful times<sup>1</sup>.

## Why?

LIQUID LIGHTNING™ contains a unique and effective blend of energy boosting ingredients including vitamin B complex. This combination can help increase energy and appetite during periods of stress<sup>1</sup>.
