

SWINE ADVANTAGE EPP™

Powdered Whole Egg Specialized Proteins For Swine

What?

Swine Advantage EPP™ is a proprietary blend of powdered whole egg specialized proteins.

When?

Swine Advantage EPP™ is intended to be mixed into the dry feed ration of pathogenic challenged sows and pigs on a daily basis¹.

Why?

Swine Advantage EPP™ is specifically formulated to introduce whole egg specialized proteins to sows, nursery pigs and grow-finish hogs. The “Porcine-Specific” whole egg proteins used have been researched and selected to ensure maximum usability and benefits for sows, nursery pigs and grow-finish hogs¹.

Recommended Use¹

Gestation: 0.5 gram per head, per day.

Lactation: 1 gram per head, per day.

Nursery: 0.8 gram per head, per day.

Grow-Finish: 0.5 gram per head, per day.

High Stress: Double recommended rate for 7 - 10 days.

¹Not intended to diagnose, treat, cure or prevent any disease.
