

# ***Pro Start Colostrum***

## ***Bovine Paste Tube***

### **Why?**

To help BIND pathogens of the most common Bovine diseases found on farms today. To give a BOOST of energy and SUPPORT the immune System of Dairy and Beef Calves. All of which could help in creating the best start in life for your Calves.

### **What?**

An Energy Paste Tube made with Specific Proteins Globulin derived from Bovine Colostrum mixed with powerful Egg Protein (IgY) and enriched with Encapsulated DFM's. All combined to give your Calves a much-needed Boost early in life.

### **When?**

For best results we recommend administering our Paste Tube as soon as possible after birth or arrival. Additionally, administer before, during and immediately after stress periods, such as transportation, weaning and inclement weather.

**Storage/Shelf Life: Keep closed in original packaging and refrigerate at 38 - 48 F. DO NOT FREEZE. Expires 365 days from date of manufacture.**

**Packaging: 60 ML paste tubes, 12 per case**

#### **Guaranteed Analysis:**

**Crude Protein (min) ..... 15%**

**Crude Fat (min) ..... 6%**

**Crude Fiber (max) ..... 2%**
